

Parent Governor applicants March 2016

Mrs Jaqueline OTITE

Mrs Sandra Tam

Mrs Jacqueline Otite

I am a parent of St Peter's, a Mother of 3 (ages 6,10 & 13) plus a resident of Barking & Dagenham (16) years who is familiar with the education system.

With over 20 years experience of working with young people (ages 12-19) to help make realistic careers and life related decisions, I have gained a knowledge and understanding of policies, procedures and working practices in schools e.g. health & safety, equal opportunities, observations and Ofsted inspections.

I am passionate about inspiring individuals, engaging parents and community cohesion; experience to date includes being a member of the PA and lead organiser of the summer fete in a primary school. I am also on the steering group of Creative Barking & Dagenham.

I have a genuine interest in the education and welfare of our children; being part of the St Peter's family to raise achievements and ensure continued high standards.

Mrs Sandra Tam

I am currently a full time housewife and mother to a six year old daughter who is in Year 1 at St Peter's RC School. I graduated from Warwick University and afterwards took full time employment as an accountant in Central London.

I have developed a good relationship with a number of parents at school and would certainly feel confident to represent them at meetings. I am also a volunteer reader at the school and a Catechist at St Peter's Church.

Being a reader and a Catechist have encouraged me to become more involved with the parents of children attending St Peter's school and also I am close to them to be able to voice any of their needs and views on any school matters.

Furthermore being currently a full time housewife gives me the opportunity to fulfil my duties on the board. Therefore I would gladly accept a position as Parent Governor on St Peter's school Board of Governors.
