

NEWSLETTER NURSERY SUMMER- 2

Dear Parents and Children,

We are now in the final part of our last term in Nursery. The focus for the term will continue to be supporting your child to develop the independence, confidence and skills needed for starting Reception in September!

Our topic for this term is:

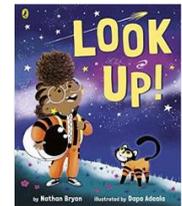

The Seaside

The books we will be using are:

- Hooray for fish, Lucy Cousins
- Splash, Anna Hibiscus, Atinuke
- Billy's bucket. Kes Gray
- Sharing a shell, Julia Donaldson

Author of the term:

Our Author for this term is **Dapo Adeola**. We will be sharing stories by this illustrator & author in Nursery and finding out more about him.

The areas we will be covering are:

- Becoming more independent to dress and undress.
- Continuing to hear sounds in words and learn the letters to match.
- Learning positional language and the language of size.
- Exploring seaside traditions.
- Learning facts about sea creatures.

To help us with this topic we would like you to:

- Read to and share stories with your child every day.
- Listen to your child read (telling their own story with the pictures).
- Talk to your child about any trips you have had to the beach/ seaside and send in photographs or souvenirs they can share with the class!
- Find out about sea creatures and send in any pictures or information you find.
- Look at the document about being "ready for school" and practice some of the skills mentioned.

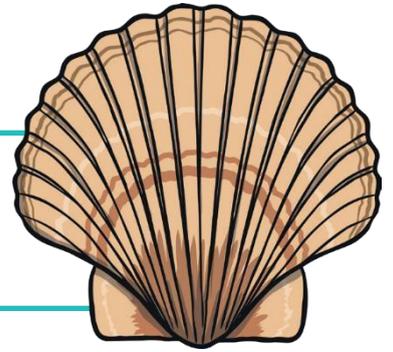

Family Learning Project - Due by Friday 1st July 2022

Please complete the attached home learning challenges.

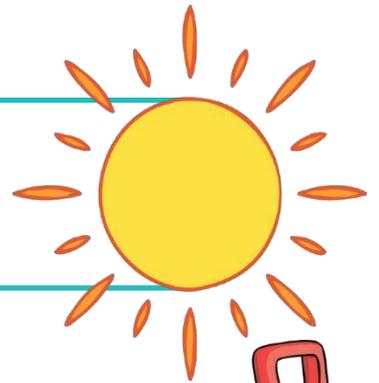

Signed: Mrs Sapiano, Mrs Bergman & Miss Abram
(The Nursery Team)

Home Learning Challenges

Draw some things you would need to take to the beach.

Can you make a boat from some empty containers you have at home? Check if it will float. (You could even make 2 boats and they could have a race across the bath!)

Draw a picture of an animal you might find in a rock pool.

Can you make your own 3d Seaside or Under the sea scene?

Take a picture or bring it in for show and tell in Nursery!

What's in the Rock Pool?

Count how many of the following there are in the rock pool:

crabs

limpets

starfish

yellow
fish

jellyfish

blue fish
