

## Easter Activities linked to our topic 'Land Ahoy'

• Search the web or non-fiction books to find out about a famous boat or ship. Make an information book by writing down interesting facts, downloading images or making drawings. Famous ships to choose from include RMS Titanic, the Santa Maria, the Cutty Sark or HMS Belfast. There is a blank leaflet set up on Purple Mash for your children to do this also. Children will need to go to their alerts and click 'Famous Ship leaflet'

• Design and make a boat. What materials will you use? What shape will your boat be? What name will you give it? If you do not have any materials to make one you could draw one instead. Remember to take pictures if you do make one!

• Find online story and information books and videos about the sea. Write or film a book review about your favourite.

• Make a pirate treasure chest using a lidded box and other recycled materials. What will you keep in your treasure chest? If you do not have any materials to make one you could draw one instead. Remember to take pictures if you do make one!

• Write a letter to Captain Longbeard to tell him what you have been up to at home.

• Make a map of your home and local area to show all the main features. Include physical landmarks such as beaches, hills or forests, as well as human features such as shops, farms or harbours. Where would be a good place to hide treasure? Can you plot a route to find it?

• Find and learn some pirate jokes. Practise reading them at home to perform to your family! Aye, that be funny!

• Look at holiday brochures or travel websites and talk about holiday destinations around the world. Which seas or oceans are close to each destination? Locate them on a world map, noting their location in relation to the Equator and the North and South Poles. How does the location affect the weather? Where would you most like to go?

• Pick a country you would like to visit – write a postcard pretending you have been there! What did you see? What did you do? How did you get there? You could make a postcard or fill out the one on Purple Mash. Children will need to go to their alerts and click 'blank postcard'.

★ Calling all little artists 🎨👧👦👩👨

★ We need your help! NHS Nightingale would like to decorate it's new wards with bright & beautiful drawings by children.

★ How about taking some time today with your kiddies and drawing some colourful, cheerful pictures! Please note drawings need to be A4 so that they can be laminated for infection control purposes.

★ Please send your finished creations to:

★ Rainbows for Nightingale  
59 Sutherland Grove  
London  
SW18 5QP

★ Or email them to:

★ ==> [kelly.curtis@copperfieldacademy.org](mailto:kelly.curtis@copperfieldacademy.org) who will organise getting them sent on. 😊

★ Firstly THANK YOU for your support in this. The more pictures we get the better. These will be put up on the walls in the Nightingale Hospital to brighten the place up. At this awful time let's bring some colour and hope to both patients and staff.

★ Please ensure that pictures are A4 so they can be laminated for infection control purposes. If you can laminate them before sending to your regional hub PLEASE do! This saves a lot of work for those who are giving up time to do this. Feel free to draw as many as you like there are no restrictions on sharing the love! Also if you'd like to write a message of hope or get well wishes please feel free to!

★ When you've posted to your regional hub - they will then be lovingly collected and once there's enough will be sent on to someone who will deliver them to the Nightingale Hospital.

★ Finally on a health and safety point - please adhere to all government guidelines and adhere to safe self distancing measures. Always wash or gel hands after handling post etc.
