

All staff at St Peter’s take responsibility for promoting the welfare and wellbeing of the children in our care. The Local Authority also requires that our staff safeguard the welfare of all children by referring any serious concerns that they may have to a member of the School’s Safeguarding Team. This team, who receive regular training in all matters relating to safeguarding, will always treat all information, sensitively, confidentially and in a professional manner.

Safeguarding Team

Daniel Craft	Headteacher	Designated Safeguarding Lead CSE champion and Online Safety Officer
Rowena Lumber	Deputy Headteacher	Deputy Designated Safeguarding Lead
Gail McBride	Assistant Headteacher	Deputy Designated Safeguarding Lead
Helena Brooks	Inclusion Lead	Safeguarding Administrator
Connor Casey		Safeguarding Governor
Grace Mwangi		Safeguarding Governor
Rebecca Anthony		Online Safety teacher lead

To help staff monitor the welfare of each child it is extremely important that parents keep the school informed of any unusual or serious injuries that their child has suffered and any changes that have occurred in home circumstances which might cause a child’s behaviour to change. In cases where staff have serious concerns about the welfare of a child, then the school has a duty to make a referral to Social Care. If this ever happens, please remember that it is because the school has a responsibility to promote and safeguard the welfare of every child in our care.

If you have any worries or concerns about the welfare of a child at our school. Please contact us. All information will of course be treated in the strictest confidence.

The school has a detailed Safeguarding Policy available on school website or from the School Office. This document outlines policies and procedures in relation to safeguarding at St Peters.

Our policies and procedures for all matters related to safeguarding are guided by the “Keeping Children Safe in Education” document 2016. Click below to view the document:
